What Are You Worth to Your Family?

There are 12 million homes in the United States. 96 per cent are insured

There are nearly 100 million people in the United States and only 18 per cent—less than one-fifth—are partially insured; not more than 3 per cent are fully insured. Death will not wait for you to insure. **DO IT NOW**

WHAT LIFE INSURANCE REPRESENTS

Life insurance represents the organized love of men for their families; the capitalization of affection; consideration of future needs of wife and children; the riches of the poor; the security of the rich. The man who has not faith in these fundamental principles will not have faith in himself.

TOMORROW MAY NEVER COME

This adage may not be true in your individual case, but the day may bring sickness or injury. The

Kansas Life Insurance Company offers you a Complete Protection Policy, compensating for loss of time by sickness or accident.

YOUR TIME IS YOUR GREATEST ASSET

Loss of time means loss of money. The Kansas Life Insurance Company provides for your family during your loss of time and furnishes maintenance for them when you die. Death is an absolute certainty. Do not neglect your duty while living.
